

CC4001P

Pro-Installation 5 disc CD changer

marantz
PROFESSIONAL

Product Overview:

With a five-disc carousel, fully programmable playback plus random, repeat and scan modes, the CC4001P CD changer provides endless combinations of non-stop music for commercial installations. Its multi-read drive plays CD-Rs, CD-RWs and MP3 as well as conventional CDs, and features Digital Servo Drive for accurate reading and fast track access. Both coaxial and optical outputs are provided, along with 1-bit DAC, Marantz D Bus RC5 connection and RS232c port for external control.

Applications:

- BGM (background music)
- Fitness

Key Features:

- Five disc CD changer with fast disc access
- Compatible with CD and CD-R/RW discs
- MP3 playability
- Multi-bit D/A conversion via CS4392 DAC
- Thick aluminium front panel
- Stable low resonance mechanism mounted on solid metal chassis
- Headphone output with adjustable volume
- Digital coaxial and optical outputs
- Auto Music Scan
- Random and program play
- RS232c and Flasher In ports for system integration
- Dedicated remote with direct disc access and Marantz D-Bus
- 3U
